THE CURRENCY.

The New York "Sun" Delares that the National Bank Circulation Must

Place to a Government Currency of Gold and Silver and Paper

Elaborately Discussed-Redemp. tion of Bonds.

New York, December 5.—The Sun, in a notable double-leaded editorial, discusses the question of "Our Coming National Currency," and reaches the conclusion that the national bank currency must go THE Hon. Robert C. Winthrop, of Massachusetts, who made the address at the national bank circulation and the more

national bank circulation and the more rapid increase in coin and coin certificates, and says: "This will give us by 1891 a grand total of \$1,135,000,000 of government currency, against not more than \$100,000, 000, and probably less, supplied by the banks. Of course much may happen to modify or prevent this result. The conduct of men cannot be predicted so confidently as that of inanimate things. The legal-tenders may be redeemed and withdrawn, the coinage of silver dollars may be suspended and the supply of gold may be diminished at the mines, or be drained away to foreign countries. The decrease away to foreign countries. The decrease

NATIONAL BANK CIRCULATION Chicago to secure an endowment for the may, on the other hand, be checked by Hughes Library, at Rugby, Tenn. The favoring legislation; but the probabiliproject originated in remembrance of the generous denations of Thomas Hughes, of that national bank notes will be drawn out England, to the Chicago Library, after the fire of 1871.

PROFESSIONAL PROTECTIONIST PORTER is disgusted with McCulloch, and says the Secretary's advocacy of the removal or modification of duties which are obstructions "reads like a tariff plank in a Demo-cratic platform."

as security for their circulation bear sufficiently high rate of interest they will issue the notes, but so soon as the rate falls below the paying point the circulation will be withdrawn. At present there

of the Currency tells us that the fours and four-and-a-halfs are already too high to make the speakers at the Woman Suffragists' Convention, in Chicago, said there was "no criminal so vile but that he helped to make the laws of the land if he happened to be outside of the penitentiars." And yet decent, intelligent women have saveled at their maturity in 1891, and the fours are rising in price continually under the competition for them by executors, trustees, savings institutions and timid investors. That t'e people of the United States will, for the sake of the tiary." And yet decent, intelligent women | banks, sanction any legislation by which NATIONAL DEST SHALL BE PROLONGED

or the interest upon it be increased, it is idle to suppose; that they will permit the facts. The national bank currency must go, and that pretty soon. Of the possi-bility of the retirement of the legal-tender notes by redemption and cancellation. there is no indication. The contracting of them in this way was stopped in 1878 by popular clamor, and as we have already remarked, they have remained fixed at their present amount ever since, withou any efforts by either political party to reduce it. The same may be said of the coinage of silver dollars. Every attempt to check or to suspend it has hitherto been abortive. The West almost unanimously favors in see will support it to the last. As to the convertibut the with-

shool for drawal of the hank carculation may cause a monetary stringency, concerning which so much solicitude has been expressed in various quarters, it need only be remarked that the

red Democratic Divine Compel

ATLANTA, December 2.- Last week th colored preachers and leading men of the colored people in Atlanta invited Gov. McDaniel and Senators Brown and Colquitt to address them upon the issues of the day. A favorable response was given ican ports. The steamship Esteban de Antunano, about 2500 tons burden, will leave Vera Cruz in a few days for New Orleans, and will ply regularly during the season. This is among the first fruits of the great Exposition.

Held. A few colored politicians who had been ignored in the matter took umbrage at the action of the preachers in signing the request and, going among congregations, succeeded in stirring up a hot feeling that preachers should not interfere with politics. The last two nights have been rendered sensational by rumors that Preachers Jones, Tillman and Grant would be requested by their respective congregations to seek employment else-

congregations to seek employment else-where. This evening the Rev. Mr. Jones asked for police protection for his house, alleging that he had been reliably organized for the purpose of burning him out, because he had sold out to the Democrats. A guard was furnished, who are now pacing the street in front of his resi-dence. Tillman and Grant, it is under-stood, are also in fear of a similar visitation. The preachers are sustained by an immense majority of their race. Nevertheless, the action of the disorderly element serves to keep the race in a stew, the women, especially, being in a fever heat. There is no fear, however, of any-
